The Pennsylvania Bituminous Coal Show was founded in 1953 by Paul "Putty" Smith, Ellis "Parker" Burnette, Ross Allison and Stanley Allison to spur the lagging coal industry in our area. The King Coal Association was derived to plan, promote and operate the show. Some events of the Coal Show include the selection of the State Bituminous Coal Queen, the Tri-County Band Concert, the local fireman waterbarrel battles, the display of coal mine machinery and related equipment, and the Coal Show parade.

The Pennsylvania Bituminous Coal Queen Pageant was begun in 1954. Winners from Carmichaels High School have included Judith Kerr in 1963, Linda Murphy in 1969, Christine Vavrek in 1971, and Lisa Elek in 1981. The competition includes a personal interview, evening gown modeling and a talent segment. The girl selected as Coal Queen acts as ambassador for the King Coal Association. She and her parents are also given the opportunity to meet the Governor of Pennsylvania and speak before the Senate and House in Harrisburg, Pa.

Our Coal Queen Candidate this year was Julie Winslow. During the Coal Queen competition, Julie presented a stunning baton performance. In school, Julie has participated in Marching Band as Feature Twirler and plays alto sax in Concert Band. She also serves as President of the National Honor Society and was Treasurer of the Spanish Club. Julie is a member of Who's Who Among American High School Students and the Society of Distinguished American High School Students.

Outside school, Julie serves as President of the St. Hugh's Sodality. She is a student of Barbara's Dancing School in various areas of dance and is also a student of Carol Claybough for baton. Julie was selected 1982 Miss Rain Day and won in the sportswear division. She has also participated in the Miss Northeastern U.S. Teen and the Teen Valentine Sweetheart pageants and various other talent shows.

Message to the Class of '83 . . .

Each time a school year comes to an end, I ask myself what we have accomplished with those who are leaving Carmichaels Area High School forever, this year the Class of '83.

Have you learned to learn? It's one thing to get your diploma, but another to be motivated to go on learning long after the teachers and report cards disappear from view. I hope that your experiences in our school district will help you to remain intellectually alert and continue endlessly to learn.

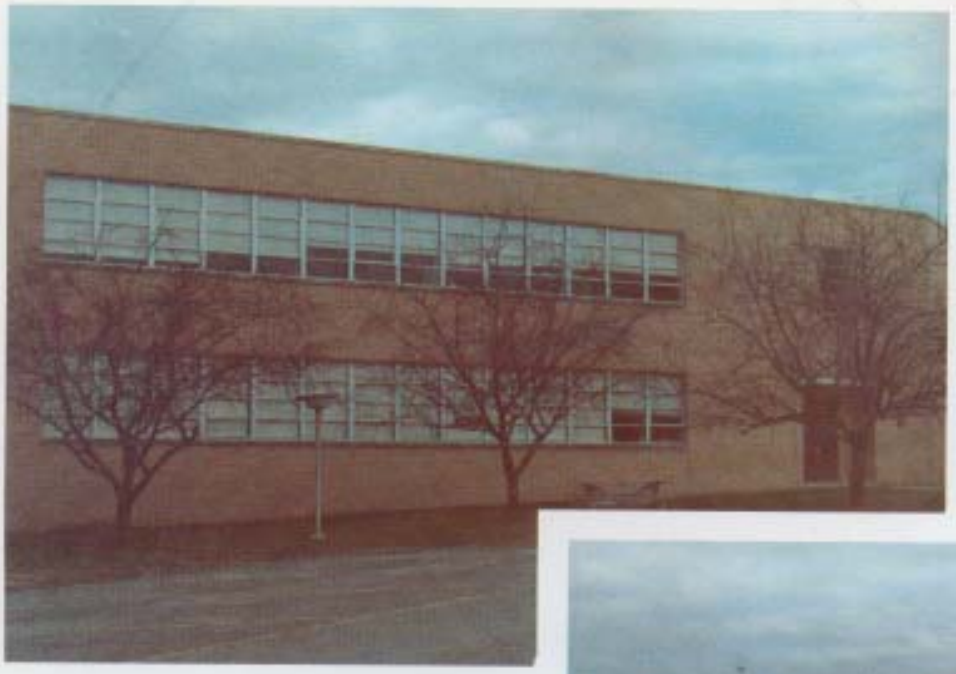
Have you learned the importance of values? As you become an independent adult, you will need to make difficult choices, to sometimes "take sides" and to freely express your convictions. I hope that you have found the importance of values during your education here and that you will have the moral courage necessary to sustain you.

Class of '83, it is with great admiration for you and trust in you that I hand to you the challenge of the future. I wish you my very best.

Sincerely,

Dolores A. Zoldos

Dr. Dolores A. Zoldos
Superintendent



Alma Mater

Dear old Carmichaels, a toast to you.
Carmichaels our Alma Mater.
In our hearts we'll ever think of you.
We are loyal sons and daughters.
Dear golden years passing by;
Oh, how they fly!
Short years for both you and I.
We will always sing this song to you.
To the world we'll tell your story.
We are proud that we belong to you,
As you stand in all your glory.

Carol Masuga, Theresa Crouse, Bill Blaker

On August 8th through 11th, 1982, Theresa Crouse, Carol Masuga, Bill Blaker, and Mrs. Gabeletto traveled to the Taylor Publishing Co. Yearbook Seminar at Seven Springs. They won a 1st place prize in theme development and defeated representatives of over sixty schools who were also vying for the trophy. The prize-winning theme was "The Mining Mike." This team of yearbook staff members combined the idea of the school mascot, the Mighty Mike, and the surrounding Coal Industry, for the theme of the 1983 Echo.

The seminar included three days of intensive study of yearbook techniques which included theme development, layout design, special graphics, copy and caption writing. The long hours of hard work left Bill, Theresa, Carol, and Mrs. Gabeletto with little time to enjoy themselves at the luxurious resort; however, they did manage to work in a "daring" ride on the Alpine Slide!

Nemacolin Mine

Nemacolin Mine

This year the yearbook has incorporated the coal industry and its importance to this area into the 1983 Echo with the theme, "The Mining Mike." We have dressed our school mascot, the Mighty Mike, in mining attire and have used various symbols of the mining industry throughout the sections of the yearbook to help to illustrate this theme.

Coal is one of the most treasured natural resources in the United States. The town of Carmichaels and Carmichaels Area High School are in the heart of the coal region. Since there is a large supply of coal, the coal industry plays a major role in the lives of many area residents.

Each year in Carmichaels the King Coal Association sponsors the Coal Show. This week-long event includes a Coal Show pageant with contestants from several school districts, a carnival, a parade, and various activities and displays.

In 1982, Carmichaels Area High School saw an alumnus, Rich Trumka of Nemacolin, win the UMWA Election to be President of the UMWA.

Truly, our high school and community are greatly affected by the coal industry, and we have tried to portray this fact in the 1983 Echo.

The surrounding coal mines and coal-related industries help to illustrate the theme of the 1983 Echo "The Mining Mike." Our lives are affected daily by the local coal mines.

Rich Trumka Wins UMWA Presidency

Mr. Trumka campaigning at the Carmichaels Firehall.

Since the theme of the '82-'83 Echo centers on the Coal Industry, we would like to salute Rich Trumka, President of the United Mine Workers of America.

Trumka, a lifelong resident of Nemacolin, was born on July 24, 1949, the son of Frank and Barbara Trumka. In 1967 he graduated from Carmichaels Area H.S. Trumka received a B.S. degree in Accounting and Economics from Penn State University in 1971. Later, he received a Juris Doctor of Law degree from Villanova.

Trumka worked at Nemacolin Mine from 1968 to 1974. From August, 1974 to May 1977, he was an attorney and practiced law in the Pennsylvania State courts and in various Federal courts. Trumka then did classified work in the mines for Local Union 6290 for 2 years. From May 1979 to July 1980, he was an attorney for the UMWA.

On June 8, 1981 running under the campaign slogan of "Why Not The Best", Rich Trumka was elected United Mine Workers President by a 10-1 margin over the incumbent Sam Church.

Since Mr. Trumka is our own, we are proud that he is an alumnus of Carmichaels Area High School.

"Scrooge"

Presented by
Carmichaels Senior High
Chorus and Drama Club

The Carmichaels Senior High School Chorus and Drama Club combined forces on December 10th and 11th, 1982 to present the Christmas Musical, "SCROOGE." The play was adapted by Leslie Brouse from Charles Dickens' *A Christmas Carol*.

"SCROOGE" retains the major elements of the Dickens' classic. Ebenezer Scrooge is as miserly as ever, and Bob Cratchit, his assistant, is the constant victim of Scrooge's foul nature. The story is intermixed with appropriate songs as Scrooge experiences the visits of the three Christmas Spirits and the ghost of his former partner, Jacob Marley. The musical has a heart-warming conclusion as Scrooge awakens on Christmas morning a new man. His new-found generosity helps to save Cratchit's son, Tiny Tim. "Father Christmas", "Thank You Very Much", "A Christmas Carol", "The Beautiful Day," and "I'll Begin Again" were some of the songs which helped to tell the story in musical form.

The play was a huge success both evenings it was performed. The hard work and many hours of practice and dedication paid off for the cast, crew, and directors of "SCROOGE."

Ed Weaver, Ray Beckett, Donna Tollan and Rick Shaffer are the apparitions that Scrooge (Bill Blaker) encounters during the play.

Chaperones for the evening were Mr. Chales Plasko and Miss Kathy Girod, Mr. and Mrs. William Craig, Mr. and Mrs. Pete Busti, and Mr. and Mrs. Joseph Converse.

Class Flower
Yellow Rose

As we reflect on our years gone by, we are reminded of the hours spent in and out of class. We were juggled from Mrs. Watson's *Romeo and Juliet* to Mr. Varnak's art class to Miss Zavatchan's "oui's" and "non's" to Mrs. Masuga's *Literary Cavalcades* to Mr. White's trips around the world and Mr. Struvek's "health" class.

These are a few of the memorable moments in class. But what made our high school days complete are the three field trips to Buhl Planetarium which baffled our minds with their explanations of the universe-in-French, the long hours of play practice that miraculously came together on opening night, the excitement of yearbook that slowly dwindled after a year of quad paks and tic marks, and not at all forgotten are the times spent walking the halls for our special teachers.

We will never have the opportunity to do these things again, for time has quickly passed and we must move on to new challenges in life.

There are many fond memories and friendships that will stay with us forever. We'll never forget the teachers that have been our friends and helped us grow. As a fond farewell and last good-bye we say "Good Luck" to the CLASS OF '83.

Kevin Henderson and Bill Blaker

Class Song
Just You and I

JUST YOU AND I

Sharing our love together and I know in time we'll build the dreams we treasure we'll be all right, Just You and I. Sharing our love together and I know in time we'll build the dreams we treasure we'll be all right just you and I. And I remember our first embrace, the smile that was on your face. Promises that we made, and now your love is my reward and I love you even more than I did before. We can trust each other, with you in my life. There'll never be another we'll be all right, just you and I, and I remember our first embrace the smile that was on your face, and now your love is my reward and I love you even more than I ever did before, we made it you and I.
